City of DeSoto

Memo

Date: Wednesday, December 13, 2017
To: Dr. Tarron Richardson, City Manager 
From: Tracy L. Cormier, Director of Budget, Financial Services 
Subject: November 2017 Financial Reports

Attached are the November 2017 Financial Reports for the General Fund (GF), Public Utility Fund (PUF), Special Revenue and Capital Project Funds for your review. We hope that this report will provide you with a picture of the City's financial position for the month of November in fiscal year (FY) 2018. The summaries of major revenues and expenditures for the GF, as well as the PUF cover the majority of the total City budget and are listed separately. We have also included a page showing the Uses of Fund Balance items for your review.

General Fund

Revenues: Overall, the month of November reflects the expectation that major revenues received this month relate to the prior fiscal year are recorded in FY2017.

Sales Tax revenues received in November are actually funds that were collected in September 2017. Therefore, no receipts are shown for sales taxes in this month's report. The **Property Taxes, Intergovernmental, Recreation Fees, Interest Revenues, Administrative Fee and Miscellaneous revenue** have met or exceeded our budgeted projections for the month of November. **Franchise Fees** are paid quarterly and we receive them almost two (2) months in arrears. Therefore, franchise fees for the last quarter of FY2017 will be collected in November, which will be recorded in FY2017 when received. Our overall actual year to date (YTD) revenue collected as a percentage of budget is 7.1%, which is on target with the projected average of 5.7%.

Expenditures: The total GF actual year-to-date (YTD) expenditures are within our budgeted projections for this month. This month we expended 16.4% of our budgeted amount. Our budgeted projections show that in the past, we have spent around 15.1% of our budget target through November.

Public Utility Fund

Revenues: For the month of November the overall actual revenue collected for the **PUF** is 16.7% of the budgeted total. We are within .01% of our projected amount of 16.8% for the month. The revenues for the **PUF** are considered to be within expectations for November.

Expenses: The YTD expenditures for the **PUF** are within our budgeted expectations. For the month of November, we spent 13.8% of the budgeted amount. Our budgeted projections show that in the past, we have spent an average of 13.9% of the budgeted target during this same time period.
