

Paper Plate Easter Bunny!

MATERIALS NEEDED

- Glue
- Scissors
- Googly Eyes
- 3 Pipe Cleaners
- Pom Poms
- Black Marker
- Construction paper

ESTIMATED TIME: 10-15 min

STEPS

1. First take 3 pipe cleaners and twist them around one another in the center
2. Then glue the twisted part on the back of the plate, in the center. This makes whiskers!
3. Once the glue dries, glue the pom pom over the twisted part.
4. Next, draw the mouth below the nose. It should look like a curvy W.
5. Then glue the googly eyes above the nose. if you don't have googly eyes, you can draw them on or use construction paper to make eyes.
6. Then cut out ear shapes with the white construction paper and smaller ear shapes in the different color construction paper.
7. Glue the smaller ear into the bigger ear, then glue that onto the plate.
8. Ta-Da! You now have your own Easter Bunny!!!
