

Tie Dye Coffee Filters!

MATERIALS NEEDED

- Markers
- Coffee Filters
- Paintbrushes
- Disposable Cup
- Paper Plate

ESTIMATED TIME: 10-15 min

STEPS

1. Get a coffee filter and lay it flat out on the plate.
2. Using the markers, starts drawing designs or pictures on the coffee filters.
3. Once you're done with that, fill a disposable cup halfway with water.
4. Dip the paintbrushes in the water, and gently brush over your design.
5. Keep brushing, the colors should mix!
6. Once you're done, let it dry. (Put it out in the sun to dry faster.)
7. Remove the coffee filter and VOILA! You have a tie dye coffee filter (Your plate should be tie dye as well!)
