

Chalk Paint!

MATERIALS NEEDED

- Paintbrush
- Water
- Cornstarch
- Food Coloring
- Bowl (or cup)

ESTIMATED TIME: 5-10 min

STEPS

1. In a small bowl, pour in $\frac{2}{3}$ a cup of water.
2. Next pour $\frac{1}{2}$ a cup of cornstarch into the water. Mix them together!
3. Once you're done mixing, add a few drops of food coloring into the mix. Then stir that too! (If you want really bright colors, add lots of food coloring. If you want them dark, don't add to many.)
4. Once you're done mixing them you're ready to paint!
5. Grab your mixture, your paintbrush and go outside.
6. Dip your paintbrush in the mixture, and start painting on the sidewalk! look at those crazy colors!!!
7. Show off your painting skills with your chalk paint!
