

Pirate Ship!

MATERIALS NEEDED

- Egg Carton
- Scissors
- Popsicle Sticks
- Gluestick
- Paint & Paintbrush
- Any piece of paper!

ESTIMATED TIME: 10-15 min

STEPS

1. Using scissors, cut out 4 egg holders from the egg carton. It should look like a square.
2. Paint the square cutout! (Use markers if you don't have paint!)
3. Using the scissors, make a hole for the popsicle sticks in the bumps! be careful, ask an adult for help.
4. Stick the popsicle sticks throught the holes.
5. Rub some glue on the popsicle stick, then stick your paper on the popsicle stick. Voila! You made the sails! You now have your very own pirate ship! Go sail the Seven Seas!
6. For bonus fun, draw some cool designs on the sails before you glue them onto the popsicle sticks.
