

How to Set Up an Email Address with Yahoo

Step 1:

Open up a web browser

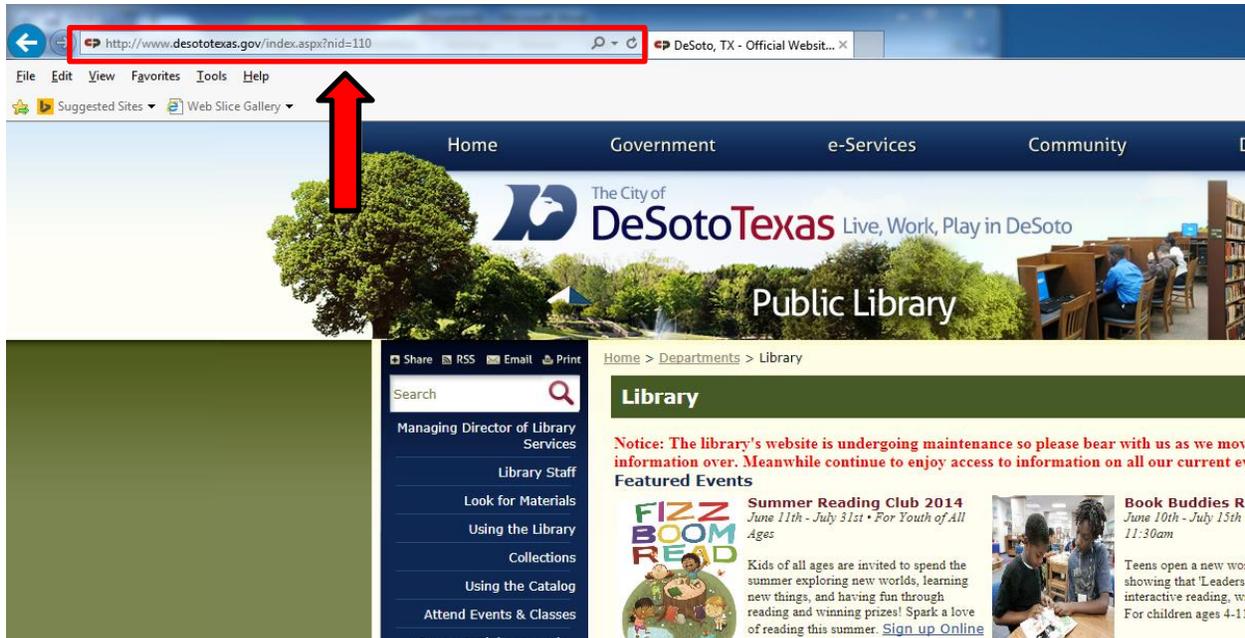

Web Browser Window

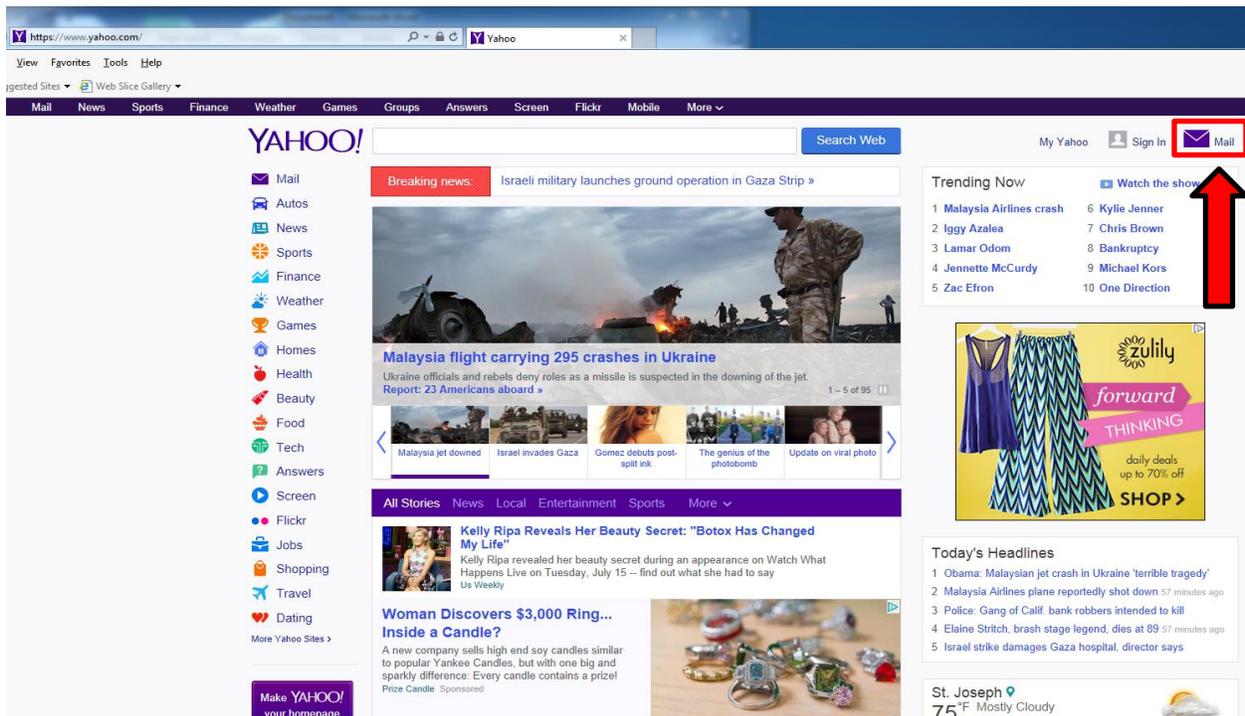

Step 2:

Click in the address bar and type www.yahoo.com then press the Enter key

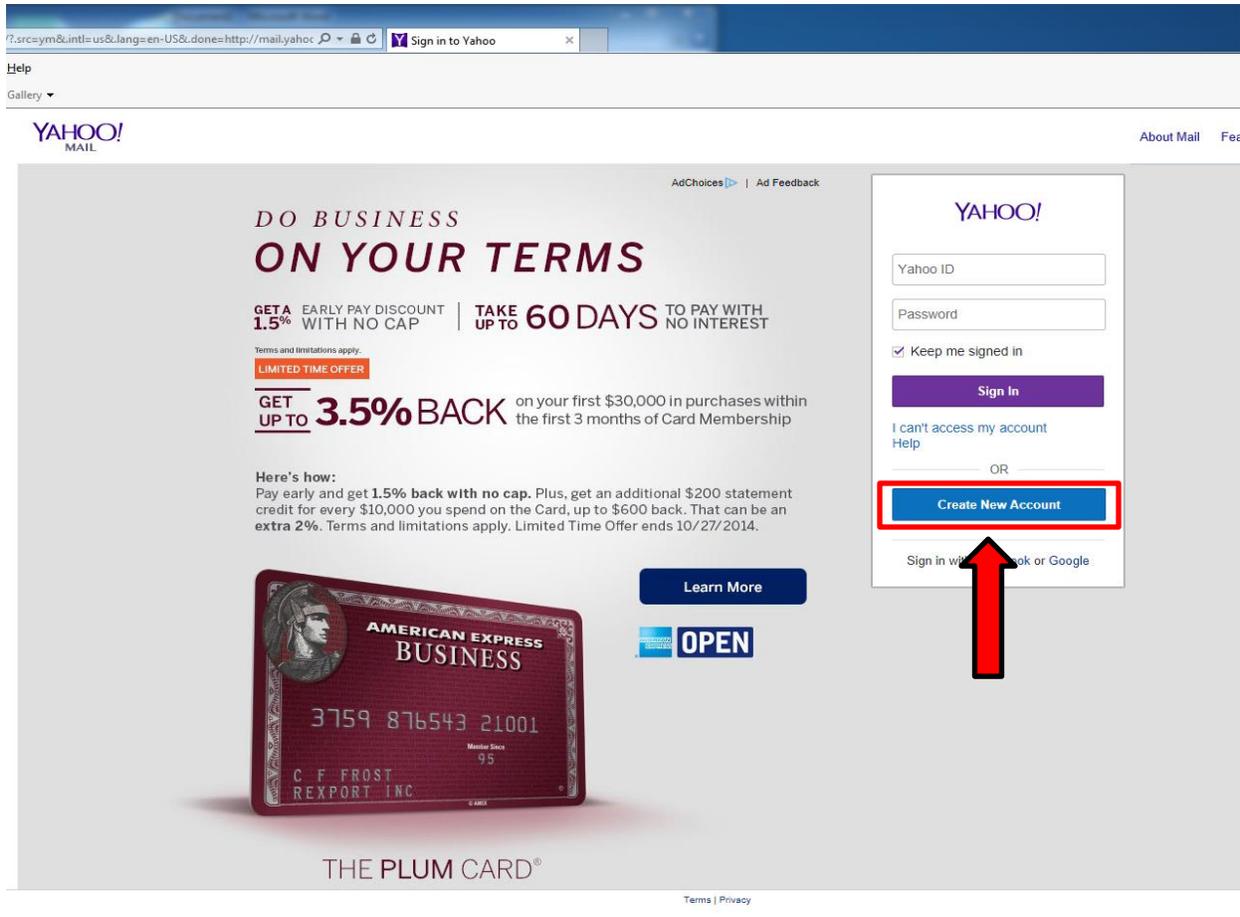

Step 3:

Click on **Mail** in the top right hand corner of the page

Step 4:

Click on the blue **Create New Account** button

The screenshot shows the Yahoo! Mail sign-in page. On the right side, there is a sign-in form with fields for 'Yahoo ID' and 'Password', a 'Keep me signed in' checkbox, and a purple 'Sign In' button. Below the sign-in button are links for 'I can't access my account' and 'Help'. A red box highlights the blue 'Create New Account' button, with a red arrow pointing to it from below. The main content area features an advertisement for the American Express Business card, titled 'DO BUSINESS ON YOUR TERMS', with details about a 1.5% early pay discount and a 3.5% back offer. A 'Learn More' button and an 'OPEN' button are also visible.

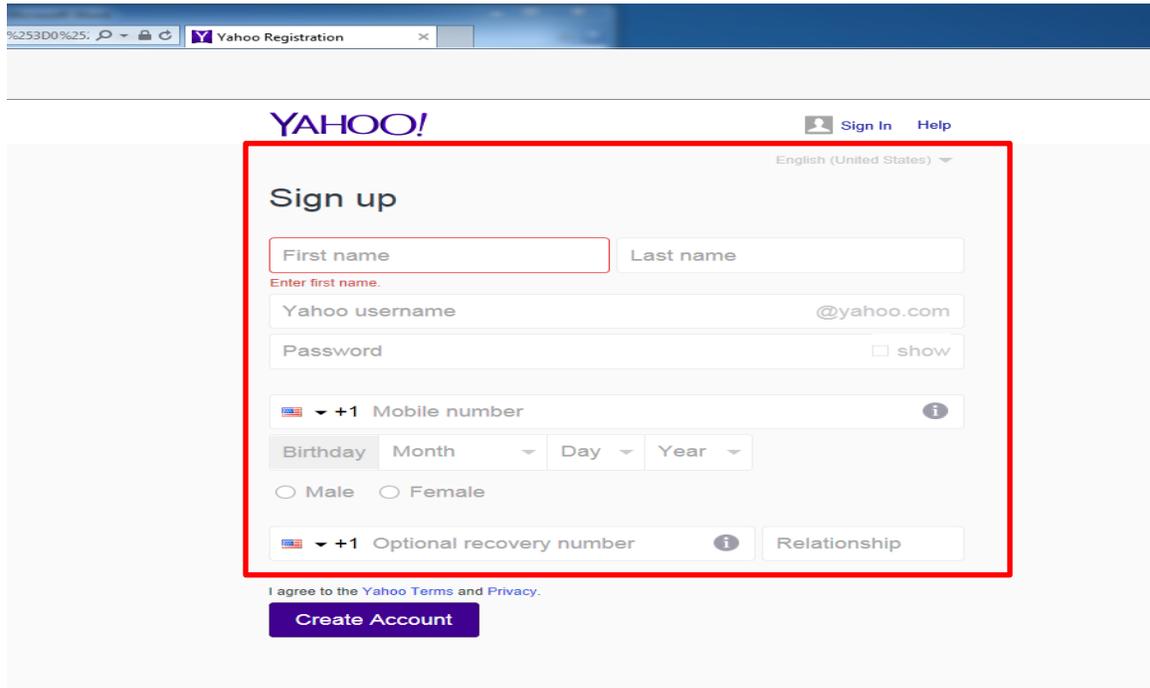

Step 5:

Type in the following required information:

- First name
- Last name
- A username for your email (if your username is already taken, try one of the suggested variations or a variation of your own)
- A strong password with at least 1 number and 1 uppercase letter
- Your cell phone number
- Your birthday
- Your gender

Optional information: You can choose to include another person's number to be contacted in case you forget your information or get locked out of your account.

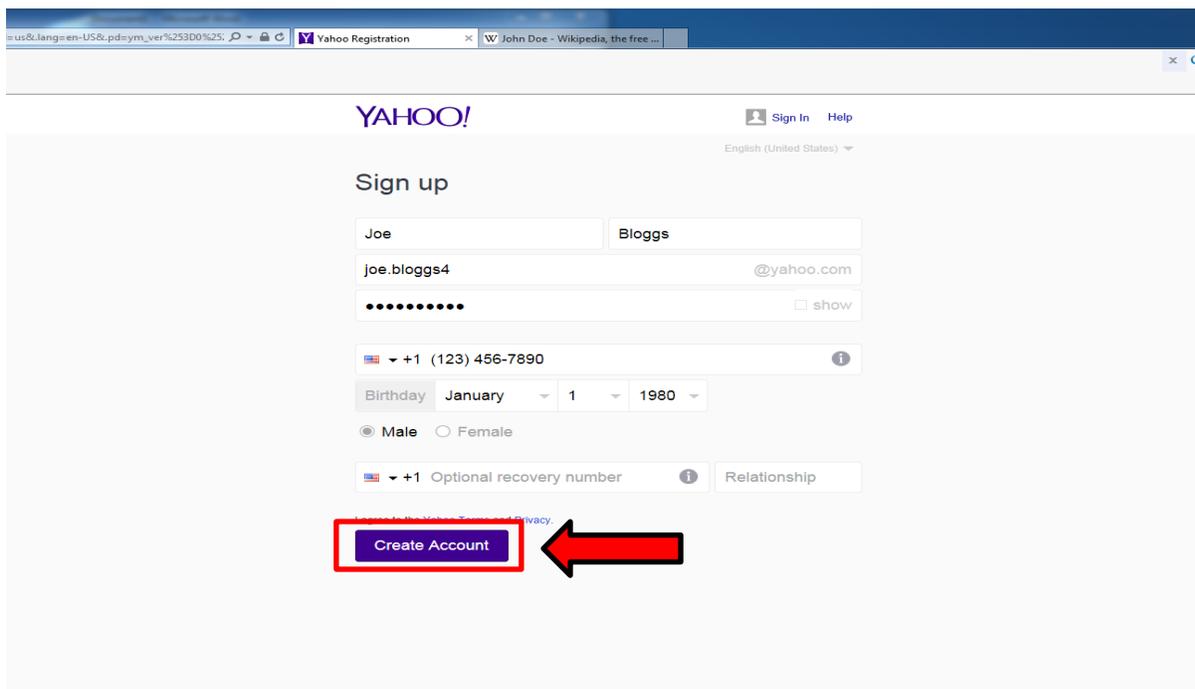

Step 5 cont.

The screenshot shows the Yahoo Registration page. The 'Sign up' form is highlighted with a red border. The form includes the following fields: First name, Last name, Yahoo username (with a dropdown for '@yahoo.com'), Password (with a 'show' checkbox), Mobile number (with a country code dropdown set to '+1'), Birthday (with dropdowns for Month, Day, and Year), Gender (radio buttons for Male and Female), Optional recovery number (with a country code dropdown set to '+1'), and Relationship. Below the form, there is a checkbox for 'I agree to the Yahoo Terms and Privacy.' and a purple 'Create Account' button.

Step 6:

Click on the purple **Create Account** button.

The screenshot shows the same Yahoo Registration page as in Step 5. The 'Sign up' form is now filled out with the following information: First name: Joe, Last name: Bloggs, Yahoo username: joe.bloggs4, Password: masked with dots, Mobile number: +1 (123) 456-7890, Birthday: January 1, 1980, Gender: Male (selected), Optional recovery number: masked with dots, and Relationship: empty. The 'Create Account' button is highlighted with a red box, and a red arrow points to it from the right.

Congratulations you now have a Yahoo Email Account!
